Internships in Denmark

Denmark ranks very highly in areas such as health care, human development, education, and prosperity. The country is known to be one of the happiest country in the world and has a very high standard of living. It also has a high level of income equality and has the world's highest minimum wage. As an added bonus, Danish internships must be paid so interns will receive a stipend or a salary while working there!

Benefits of undertaking an internship can include:

- The country is a leader in many different areas so interns will have endless options when it comes to choosing what sector they want to work in.
- Interns are initially attracted by the monetary bonus of their internships but end up taking so much more out of their experiences overseas.

Entry requirements

Higher Education Undergraduate	To gain entry into an Denmark undergraduate course you will need to have an Senior Secondary Certificate of Education (Year 12), or the overseas equivalent. IELTS is required with min. of 5.5 score to secure admissions for UG degree programs. Further Some courses may require some specific Subjects also.
Higher Education Postgraduate	As well as the satisfactory completion of at least one degree at undergraduate level, your institution may take research ability or relevant work experience into consideration. IELTS is required with min. of 6.5 score to secure admissions for PG degree programs. Further Some courses may require some specific Subjects also.
Doctoral Programmes	A master's qualification is required for entry to doctoral studies. Specific requirements depend on the requirements of the institution of higher education and the particular course. Specific requirements may include an entrance examination, thesis plan or an interview etc. IELTS is required with min. of 6.5 score to secure admissions

Options After graduation

After completion of graduation, student will need a residence permit to work in Denmark. Upon graduation from a Danish higher education institution, student's residence permit will remain valid for an additional six months, allowing him to seek employment in Denmark. Green Card Scheme is granted to a candidate, based on his score in point based evaluation system.
