

The French higher education system is one of the best in the world. It is also one of the most accessible ones. With dramatically reduced tuition fees in comparison to other leading study abroad destinations, studying in France is more economically viable for international students. Consistently appearing near the top of internationally renowned rankings, French universities offer an academic pedigree that easily competes with other countries. France has 83 public universities and they are all funded by the national government, offering excellent education at a very affordable price to all students, domestic or international.
