Internships in Romania

In Romania, student's internship is compulsory and it is usually organised by the universities through partnerships with companies and other public bodies. Sometimes student's associations contribute or organise the placement. These internships are mostly unpaid.

Benefits of undertaking an internship can include:

- It helps students to get placed by top companies.
- It helps students to develop their practical abilities.
- These internship program allow students to interact with companies which helps a lot to create a good network and bonding with professional people and companies too.

Entry requirements

Higher Education Undergraduate	To gain entry into an Romania undergraduate course you will need to have an Senior Secondary Certificate of Education (Year 12), or the overseas equivalent. IELTS is required with min. of 5.5 score to secure admissions for UG degree programs. Further Some courses may require some specific Subjects also.
Higher Education Postgraduate	As well as the satisfactory completion of at least one degree at undergraduate level, your institution may take research ability or relevant work experience into consideration. IELTS is required with min. of 6.5 score to secure admissions for PG degree programs. Further Some courses may require some specific Subjects also.

Options After graduation

After graduation, if students wish to pursue higher courses then they can go for that without any difficulty. But if students want to work in Romania, then they can start working only after obtaining a work permit, and subsequently they need a long-stay visa to work, as well as a residence permit. To get PR, students needs to stay there for at least 6 years and must have proficiency in speaking Romanian.
